

### REMARKS

Applicant thanks the Examiner for the courtesies she extended to his undersigned attorney and to his representative Dr. Harlfinger at the personal interview of January 12, 2007. The amendments to claim 1 above are the amendments discussed at the interview and which, as indicated in the Examiner's Interview Summary, appear to overcome the rejection on Caenen and to distinguish over Marnay, applied by the Examiner in previous Actions. Applicant understands that the Examiner must perform a confirmatory search before allowing this application but looks forward to an early action allowing claims 1, 3 and 4.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing Docket No. 246472005200.

Respectfully submitted,

Dated: February 1, 2007
